

Resources List:

| Topic | Host | Web address | Description |
|--------------------------------|---|--|---|
| Daylighting | Architectural Energy Corporation | http://www.archenergy.com/SPOT/ | Software for design of daylighting programs. Free download |
| Daylighting | Natural Resources Canada | http://www.daylight1-2-3.com/ | Software for design of daylighting programs. Free download |
| Energy Codes | Department of Energy | www.energycodes.gov | Free software related to compliance with energy codes nationally and by state. Free online training on wide range of topics relating to understanding energy codes. |
| Epact - federal tax deductions | NEMA - National Electrical Manufacturers Association | http://www.efficientbuildings.org/ | Information about Epact and federal tax incentives |
| Epact - federal tax deductions | NEMA - National Electrical Manufacturers Association | http://www.lightingtaxdeduction.org/technologies.html | 15 tips to beat ASHRAE 90.1 with lighting, endless links to other great sources, info about Epact and federal tax incentives |
| Lighting | Lighting Design Lab | http://www.lightingdesignlab.com/articles/ltg_prod/prod_vs_energ y.htm | The Lighting Design Lab works to transform the Northwest lighting market by promoting quality design and energy efficient technologies |
| Lighting | Institute for Research in Construction | http://irc.nrc-cnrc.gc.ca/ie/light/ | The Canadian Institute for Research in Construction provides a huge collection of outstanding research reports. Ranging from full-spectrum lighting to lighting quality, all of these reports are useful. |
| Lighting | Lighting Research Center - Rensselaer Polytechnic Institute | www.lrc.rpi.edu | Latest information on products, issues, testing relating to lighting products. Studies on how light is perceived and affects building occupants. |
| Lighting | Inter.light Inc. | www.lightsearch.com | Network source for products, information relating to lighting products, services, consultants, and issues |

| Topic | Host | Web address | Description |
|----------|---|---|---|
| Lighting | Inter.light Inc. | www.lightnowblog.com | Message board for products, information relating to lighting products, services, consultants, and issues |
| Lighting | Hubbell Lighting | www.hubbellighting.com/greenwise | Visit Greenwise section for lighting upgrade tips and download LitePro for comparing fixtures, doing layouts for basic lighting applications |
| Lighting | IESNA - Illuminating Engineers Society of North America | www.iesna.org | Good list of studies, publications relating to lighting design, guidebooks, resources |
| Lighting | Enlighten America | www.nema.org | Comprehensive site on products, standards, manufacturers of electrical supplies |
| Lighting | Acuity Lighting | www.acuitybrandslighting.com | Under resources, some helpful links including free download of 'Visual' software which is a lighting layout tool |
| Lighting | Lithonia Lighting | www.lithonia.com/sustainability.html | Tools and calculators, such as the Epect Tax Incentive calculator |
| Lighting | Sylvania Lighting Products | www.sylvania.com | Product, training, and calculation tools relating to the latest in lighting and lighting retrofits. |
| Lighting | Cooper Lighting | www.cooperlighting.com | Lots of info and downloads, but most notably the Energy Efficiency Toolkit with all kinds of payback calculators |
| Lighting | Metalux Lighting | www.metalux-lighting.com | Lots of info and downloads, but most notably the Energy Efficiency Toolkit with all kinds of payback calculators |
| Lighting | Leviton Electrical Products | www.leviton.com | Product and application information. Free Occupancy Sensor and Lighting controls layout tools. |
| Lighting | Lighting Controls Association | http://www.aboutlightingcontrols.org/about.shtml | Dedicated to educating the professional building design, construction and management communities about the benefits and operation of automatic switching and dimming controls. These benefits include energy savings, flexibility and higher-quality building environments. |
| Lighting | GE Lighting | www.gelighting.com | Information on lighting products and a handy 'kit' of payback estimators. |
| Lighting | Columbia Lighting | www.columbialighting.com | Download Payback Machine calculator |

| Topic | Host | Web address | Description |
|-----------------------|--|---|--|
| Lighting | Light Right Consortium | www.lightright.org | Research about how lighting affects human performance |
| Rebates Incentives | DSIRE - Database of State Incentives for Renewables and Efficiency | http://www.dsireusa.org/ | Includes listing of state, municipal and utility incentives for energy efficiency |
| Rebates Incentives | Pacific Gas & Electric | www.pge.com | Rebates, incentives and tons o' tools |
| Rebates Incentives | Sacramento Municipal Utility District | www.smud.org | Rebates, incentives and tools |
| Renewable Energy | EREN - Energy Efficiency and Renewable Energy Network - DOE | http://apps1.eere.energy.gov/ | Department of Energy site dedicated to issues, news, and developments in the renewable energy sector. |
| Renewable Energy | National Renewable Energy Laboratory | http://www.nrel.gov/about/ | Links, training and resources related to renewable energy sources |
| Sustainable Design | UC Berkeley Extension | www.unex.berkeley.edu/gogreen | Education and research on tools and techniques of sustainable practice, from sustainable design to solar energy, corporate social responsibility, and water resource management. |
| Sustainable Design | Center for Excellence for Sustainable Development | www.smartcommunities.ncat.org | Website dedicated to design of green/sustainable communities and topics of land use planning, green buildings, transportation, industry |
| Sustainable Design | Building Green | http://www.buildinggreen.com | Latest information on green products, practices and design. Their NEWS section contains product news and coverage of developments and policy in the green building industry. |
| Sustainable Design | Sustainable Business.com | http://www.sustainablebusiness.com | News, investment and networking information for the green and renewable energy sectors. |
| Sustainable Design | Green-e.com | www.green-e.com | Web based net networking resource for products and firms specializing in green technologies |

| Topic | Host | Web address | Description |
|-----------------------------|---|---|---|
| Whole Building Energy | New Buildings Institute | http://www.newbuildings.org/ | NBI works with national, regional, state and utility groups to promote improved energy performance in commercial new construction, managing projects involving building research, design guidelines and code activities. Additionally, NBI serves as a carrier of ideas between states and regions, researchers and the market. |
| Whole Building Energy | ASHRAE - American Society of Heating, Refrigerating, and Air-Conditioning Engineers | http://www.ashrae.org/publications/page/1604 | Free downloads of 'How To' guides for energy auditing, planning, executing your whole building energy plan. Training courses of many types available, but not free. |
| Whole Building Energy | USGBC - US Green Building Council | www.usgbc.org | Comprehensive site for green building standards, LEED Certification and Accreditation |
| Whole Building Energy | BOMA - Building Owners & Managers Association | www.boma.org | Wealth of information on topics, training and tools relating to energy efficient buildings and practices. A must for Facilities Managers |
| Whole Building Energy | IFMA | www.ifma.org | Wealth of information on topics, training and tools relating to energy efficient buildings and practices. A must for Facilities Managers |
| Whole Building Energy | Alliance to Save Energy | http://ase.org/ | Strategies, reports, data for energy professionals and facilities manager. Comprehensive list of financing programs by state. |
| Whole Building Energy | American Council for an Energy Efficient Economy | http://www.aceee.org/ | Comprehensive site for data, reports on energy markets, legislation, govt policy, tax incentives |
| Whole Building Energy | Association of Energy Engineers | http://www.aeecenter.org/ | Association for Energy Professionals. Resources, strategies, for fee training relating ot energy efficient buildings. |
| Whole Building Energy | California Institute for Energy Efficiency | http://www.ciee.ucop.edu | Partnership of energy agencies, utilities, building industry, non-profits, and research entities designed to advance energy efficiency. |

| Topic | Host | Web address | Description |
|-----------------------|--|---|--|
| Whole Building Energy | Energy Information Administration - Department of Energy Statistics | www.eia.doe.gov | Comprehensive compilation of statistic on anything related to energy markets |
| Whole Building Energy | Energy Star | www.energystar.org | Must see website with tools, training on energy efficiency. Building benchmarking program |
| Whole Building Energy | Energysmart Schools - Department of Energy | www1.eere.energy.gov/buildings/schools | Information, strategies about energy efficiency and their effects on the learning process. |
| Whole Building Energy | Bright Schools Program - California Energy Commission | www.energy.ca.gov/efficiency/brightschoools | CEC program to provide technical assistance and recommendations relating to energy efficiency projects in school buildings. |
| Whole Building Energy | Lawrence Berkeley National Laboratory's Building Technologies Department | http://btech.lbl.gov/ | Tons of tools, studies, and links for all building systems. Free downloadable modeling software. |
| Whole Building Energy | US Department of Energy | www.doe.gov | 30,000 foot view on everything energy in the US |
| Whole Building Energy | California Energy Commission | www.energy.ca.gov/ | Reports, news, issues, codes, incentives relating to energy in California |
| Whole Building Energy | Department of Energy | http://www.doe2.com/equest/ | Free building performance modeling software that is comprehensive, yet easy to use. Energy analysis on all building systems. |
| Whole Building Energy | Cal Public Utilities Commission | www.energydesignresources.com | Free software and online training for many topics in building/energy such as 'Introduction to Retrocommissioning. |
| Whole Building Energy | Efficiency Valuation Organization | www.ipmvp.org | Non-profit organization with guidelines and tools for verification fo effectiveness of energy upgrades. |
| Whole Building Energy | Department of Energy | http://www1.eere.energy.gov/buildings | Guidelines, links, and software tools of every description to help make your building more energy efficient. |
| Financing | Small Business Association and Energy Star | http://www.business.gov/expand/green-business/energy-efficiency/get-started/financing.html | Link from business to government to find energy efficient financing |
| Financing | Alliance to Save Energy | http://ase.org/section/topic/financingee/northamerica | State and local financing lists |

| Topic | Host | Web address | Description |
|--------------|-------------------------------|---|--|
| Financing | Smart Communities Network | http://www.smartcommunities.ncat.org/financing/energy.shtml | Listing of public and private funding resources |
| Financing | Galley Eco Capital | http://www.galleyecocapital.com/2009/02/benchmarking-anchors-energy-efficiency-retrofit-financeand-returns/ | Private company offering financing for energy efficiency |
| Financing | Building Operating Management | http://www.engr.colostate.edu/IAC/pdfs/Financing%20An%20Energy%20Upgrade.pdf | Financing through ESCOs |
| Financing | Ex: New Resource Bank | http://www.greenmoneyjournal.com/article.mpl?newsletterid=42&articleid=568 | Financing through 'green banks' |
